Reasons for Allowance

1. In response to the amendment filed on 04/30/2004, the application is allowed.
2. Claims 1-3,6-8, and 10-27 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed a method of fabricating a buried heterostructure semiconductor device, comprising: producing a hybrid current confinement region adjacent to an active laver of the device, by: disposing in a selected sequence adjacent to selected surface portions of the active layer, a laver of first material doped with a first dopant and a layer of second material doped with a second dopant; and disposing a semi-insulating material a adjacent to the layers of the first and second materials; and **disposing a layer of dielectric material directly on the semi-insulating material**, wherein the arrangement of the disposed materials produces the hybrid current confinement region during fabrication of the buried heterostructure semiconductor device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
